PRIDE Community Services is excited to launch our new Volunteer Services Program. This program is intended to benefit Logan County seniors who need assistance not provided by another community program. A member of Our “Shine Crew” may provide assistance with daily tasks, including light house work, lawn maintenance and other needed tasks.

This program is designed to help or assist seniors who cannot physically do these tasks on their own.

Possible Services:

- Light house work: mopping, laundry, changing light bulbs, vacuuming, dishes, dusting, etc.
- Lawn care: cutting grass, trash pick-up, outside repairs, etc.
- Transportation: local grocery stores, doctor appointments, etc.

“As you grow older, you will discover that you have two hands—one for yourself and the other for helping others.”

- Audrey Hepburn

What does being a volunteer really mean?

Webster’s dictionary defines a volunteer as “a person who freely offers to undertake a task”. Being a volunteer is much more than that definition. You are helping someone who may not be able to help themselves.

Why volunteering is important?

Volunteering does not only help those you are working with, it is beneficial to you. Studies show that volunteering is good for your health as it helps with stress, anxiety, and depression. It can make you happy, help with self –confidence, and provide you with a sense of purpose.

Why choose PRIDE’s Shine Crew?

PRIDE Community Service is excited for you to join our Shine Crew. To ensure our volunteers are the best, PRIDE’s Shine Crew members go through a vetting process which includes submission of an application, consultation with our volunteer program specialist to discuss best placement and availability, a criminal background check, drug screen and DMV driving check.

How do I get started?

* **Complete an application.** Applications may be accessed at www.loganpride.com or by visiting PRIDE’s Volunteer Program office at 699 East Stratton Street, Logan, WV.

* **Contact** PRIDE’s Volunteer Program Specialist with any questions.
